

Tenacity

Tenacity is outwitting the worst of storms with the best of creativity.

Tenacity is having faith enough in oneself to preserve what one is committed to.

Tenacity is the second wind that lifts you up past the point of exhaustion.

Tenacity is friendships and marriages that endure.

Tenacity is an unwavering dedication to realize a dream.

Tenacity is an ego strong enough to never say die.

Tenacity is a stubborn insistence on excellence.

Tenacity is pulling an all-nighter when necessary to get the job done.

Tenacity is the commitment that turns lovers into family.

Tenacity is using failure as fuel for the next trip.

Tenacity is brainstorming bright ideas to overcome dim forecasts.

Tenacity is a relentless drive to prove oneself.

Tenacity is the stuff that transforms bugs into butterflies.

Tenacity is clinging to one's confidence in a sea of negativity.

Tenacity is developing the nose of a bloodhound on the trail.

Tenacity is a willingness to shed all pretense of title to achieve an end.

Tenacity is chilling the champagne long before the handshake clenches the deal.

Tenacity is knocking once again on the door that keeps slamming in your face.
